

JOHN Stefanidis

Job Title : Senior Interior Architect / Designer

Location : Victoria / London / UK

Remuneration: Dependent on Experience

Contact Name: Martin Harvey

Contact e mail : martin@johnstefanidis.com

Description:

John Stefanidis Design Limited, one of the world's leading Interior Design practices for the past 40 years, is looking for a senior Interior Architect or Designer who is also a dynamic project manager. The candidate:

- sees projects through successfully from concept to completion, on time & on budget
- is a middle or senior interior architect or designer specialist with at least 3-5 years experience working in a similar role, preferably for an interior designer of equal stature who has worked on high-end residential properties.
- A hands-on team player, highly organised & motivated, who takes initiative and has excellent communication skills
- believes anything is possible and is stimulated handling budgets and achieving difficult goals
- is confident in producing detailed drawings.

Solid experience on AutoCAD, Word and Excel skills essential, Photoshop, PowerPoint & Illustrator skills advantageous.
